Day Of The Drum/African Marketplace

Featured artists of the day are **The African Showboyz**, an exciting group of brothers from a tiny village in Ghana, who are masters of drumming, perform acrobatic feats, eat fire and walk on glass, providing a totally mesmerizing and energizing experience...They were mentored and discovered by Babatunde Olatunji, whose dream was to bring them to the United States. This is a premier performance for San Diegans. The day continues with workshops and performances by **The WorldBeat Drummers and Dancers** and a line-up of fiery **Reggae Bands**, for a weekend that promises to be extraordinary! WorldBeat Cultural Center: 2100 Park Boulevard, San Diego, CA 92101.

The weekend is a Tribute to the Legacy's of two incredible African Musicians; pioneer **Babatunde Olatunji** on Saturday and innovator **Fela Kuti** on Sunday, both great Nigerian artists whose music chronicles the evolution of Ancient African traditional drumming to the new Afro-Beat musical movement.
